Dear Scholarship Applicant,

Thank you for your interest in the Morean Arts Center's Summer Art Camp! Scholarships are an important part of youth classes and camps at the Morean, as they allow us to help all children foster their creativity and interest in the arts. To this end, we take pride in the quality of our youth art camps and give thanks to our donors; it is their generosity which enables the Morean to extend financial assistance to you. Though we wish we could assist all applicants, we must do our best to weigh the level of need. Please take care to review and complete this application in full. The standard scholarship award consists of tuition for a 1-week session of camp. There is no official application deadline—applications may be submitted before the start date of class or camp as well as throughout the program; however please be aware that applications will be considered on a first-come, first-served basis. Thank you again for submitting your application! We look forward to seeing you this summer.

Kind Regards,

The Morean Arts Center Education Department
