

Fall Session 1 2024

MATERIALS LIST: IPHONE MASTERCLASS

1. IPHONE (2019 OR LATER)

- A. Your iPhone must be from 2019 or later, including SE, 11, 12, 13, 14, and 15 (standard and pro models are both acceptable).
- B. Your iPhone must have the latest software update in order to access all the latest camera features.

2. DIGITAL STORAGE

- A. You will need a USB drive or an SSD drive to organize and back up your photos.
 - i. I recommend starting with 1 or 2 TB capacity, but we will discuss details and brands during the first class.
